About Kerry-Globalink

1994

Globalink Logistics was founded

2017

Globalink Logistics merged with Kerry Logistics

Established in 1994, Globalink Logistics has been an integral part of eurasian freight forwarding, shipping and logistics industry, providing optimal end-to-end supply chain solution to a diverse client base

In 2017 Globalink Logistics merged with Kerry Logistics, becoming a part of asia's largest logistical network

The key to success is our multi-dimensional workforce and an extensive regional network that stretches from china to the baltic states and from the black sea to the russian far-east
